

All Around Rockaways Skate to Thai Rock

Main date: Saturday, September 6, 2014

Rain date: Sunday, September 7, 2014

Meetup: Meet at Sheepshead Bay subway station on the Shore Parkway road side at 11:00 AM and leave promptly at 11:30 AM.

Please take first car of "Q" train or walk to the Voorhees Ave exit of the platform. The ride takes about almost an hour from midtown Manhattan.

Skate around the Jamaica Bay and back to Sheepshead Bay. Lots of water view and sea breeze. We will stop at Thai-Rock for Thai/Veggie food. \$25 - 30 should cover the most expensive variety of appetizers and branch menu items!

Distance is approx. 30 miles for round trip. However, this is a very nice route - the only "hills" are bridges on the highway!

After the meal, skaters will have following options:

- Take subway back to city
- Skate back to Sheepshead Bay
- Enjoy the beach of Rockaways! (Weather permitting...).

Helmet and wrist guards are required.
